Are you ready to be a lifeguard?

To register contact the Aquatics Office

at (650) 378-7383 or smac.aquatics@smccd.edu

Course Description: Through videos, group discussion and hands-on practice, you'll learn teamwork, rescue and surveillance skills, First Aid and CPR/AED and other skills you need to work as a professional lifeguard. Successful completion results in a 2-year certification in Lifeguarding that includes first aid, professional-level CPR and AED in one certificate. Digital certificate available upon successful completion of course.

PLEASE NOTE: Course participants must be at least 15 years old. They must be able to swim 300 yards (freestyle), tread water without using their hands for 2 minutes, complete a timed event and retrieve a brick in 7 feet of water. If you are not a strong swimmer, please take swimming lessons before the lifeguard training class. To successfully complete the course, participants must attend all sessions, score at least 80% on two written tests and pass the practical portion of the exam.
